

About Us

Background

PUHJ (Purbanchal University Health Journal) is an official journal published by the Faculty of Medical Sciences formerly known as Faculty of Medical and Allied Sciences of Purbanchal University since 2020 AD. It is a triannual, indexed, peer-reviewed, open-access, international health science journal. (Online at www.puhj.pufomas.edu.np). It is indexed in NepMed and trying to indexed at NepJOL, and DOAJ as soon as possible after the commencement of its publication.

Vision

To be a leading journal with a high impact factor in health sciences.

Mission

To empower researchers and promote research activities through constant support to fellow researchers for the generation of evidence-based healthcare practices.

Goal

To publish high-quality research articles in the field of biomedical sciences.

Objectives:

- To publish research articles.
- To support the researchers, editors, and reviewers.
- To develop the reviewer pool of researchers.
- To train, support for research proposal writing, and manuscript writing

Types of Articles

We publish Original Research Article (OA), Case Reports (CR), Case Series (CS), Review Articles (RA), Medical Education (ME), Editorial (E), Viewpoint (VP), Letter to editor (LE), Commentary (C), Pilot Study (PS), Clinical trial (CT). Despite regular articles, we will publish the manuscript having scientific content after the decision of the editorial board. We encourage publishing articles from multispecialty, multicenter, and multinational involvement. About 25% of manuscripts may be rejected by editors before a formal peer-review process starts.

APC Policy

We have no APC (Article Processing Charge) for publication of any type of article. The special issues related to conference proceedings will be charged as per the publisher's decision.

Copyright Policy

Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under Creative Commons Attribution License CC - BY 4.0 that allows others to share the work with an acknowledgment of the work's authorship and initial publication in this journal. The ideas and opinions expressed by authors of articles published in full text in this journal represent only opinions of authors and do not necessarily reflect the official policy of Purbanchal University Health Journal (PUHJ) or the institute with which the author (s) is (are) affiliated unless so specified.

Plagiarism Policy

Plagiarism is a crime for any publication. PUHJ does not allow any level of plagiarism. We suggest checking your manuscript by available plagiarism software and send the report to the journal.

Article Retraction Policy

We will retract the published article if found duplication, falsification, and fabrication. The journal will report such work to the appropriate governing body.
